PIONEERING
ENVIRONMENTS

Our expertise centers around improving life through innovative and efficient design – for professional staff, their customers, and anyone else who comes into contact with a workspace. We listen closely and interact frequently with our clients in order to understand their needs and provide solutions. This approach has kept CTA on the industry's leading edge. In fact, CTA has been listed on the *Engineering News-Record's* list of the top 500 design firms in the U.S. every year since 2004.

Corporate Interiors

Optimally designed spaces benefit companies as a recruiting tool: by showcasing company culture, increasing productivity and retention, inspiring emotional brand connections, and attracting new clientele. From overall theme, to furniture, to accents created by texture and lighting, CTA's interiors team designs with vision, detail and a sense of fun.
